CALESITATANGO LJUBLJANA

GENERAL INSTRUCTIONS

1. All **regular tango classes** are held in dance hall at Miklošičeva street 28 (entrance Kinoteka) and take place at the same hour: beginner class at 6pm, technique class at 7pm, advanced class at 8pm.
2. You can attend any regular class (blue color) you like from the schedule without prior notice.
3. However if you do not have a dance partner, we advise you to let us know that you are coming (send us a text message the same day), so we can provide you a dance partner for the class.
4. Dance partner is not a prerequisite for signing up to our tango classes.
5. For beginners, we recommend attending beginner's classes at 6pm and technique classes at 7pm. For intermediate and advance dancers we recommend attending all three classes.
6. Tango classes are held all year round, during summertime too, and you can sign up any time.
7. You can use your package of hours for any regular class (blue color) from the schedule so you can mix levels. However, you cannot use your paid hours (package) for Woman technique on Tuesdays.
8. All packages are valid for 12 months from the day of the purchase or first used hour.
9. Please note that a couple cannot share the same package of hours.
10. Woman technique are held once or twice per month. No partner needed.
11. We teach you things that can help you dance better and easier on the social dance evenings, called milongas.
12. For more details do not hesitate to call us at **+386 40 733 798** or write us at dana@calesitatango.si
